FOCUS ON COACHING

Benwick Primary pupils have been enjoying their Partnership coaching:

Tag rugby – “It was great; we got to do mini matches and was a challenge to start with. We learnt lots from Glen.” Cameron –Year 6
“Because I like running, I loved it. It was awesome.” Ellis – Year 5

Hockey – “It is fab. It’s really fun and keeps us active.” Shayla – Year 4
“It was great, I preferred it to rugby, probably because I found it easier to play.” Conner A – Year 6

Sportshall Athletics - “Lots of fun! The 2 footed bounce it tough, but I found the hi-stepper much easier.” Anya – Year 6
“It really tests your abilities. We get to work with each other again to help out with the equipment.” Aaron - Year 5

Key Stage One Multi-Skills festival

On November the 11th 60 KS1 pupils from Ma-nea, Kingsfield and Glebelands came in to CCC for a multi-skills festival. The weather was really raw but it didn't dampen the spirits too much. We were able to use our new 3G surface for the first time with the primary children, which meant dry feet but plenty of rubber crumb in the little ones shoes!

All the children worked hard and CCC Young Leaders were given plenty of opportunities to practise their organisational and inter-personal skills. Thank you to the primary staff for the many compliments I received regarding our Yr 8 Young Leaders, I was very proud of how they conducted themselves.

At 11 o'clock we all observed a minutes silence which was performed with respect and maturity, well done KS1.

The Y.Ls were; Meghan, Ellie, Milly Courtney, Katie, Paige, Katie, Jodi, Grace and Grace.

Thomas Eaton pupils with their collages of the Olympic and Paralympic symbols.
